TABLE LAMPS

# EXTASIS

TL16023E  
Color: Black, Cream White & Wooden

Pronounced as ex-ta-sis

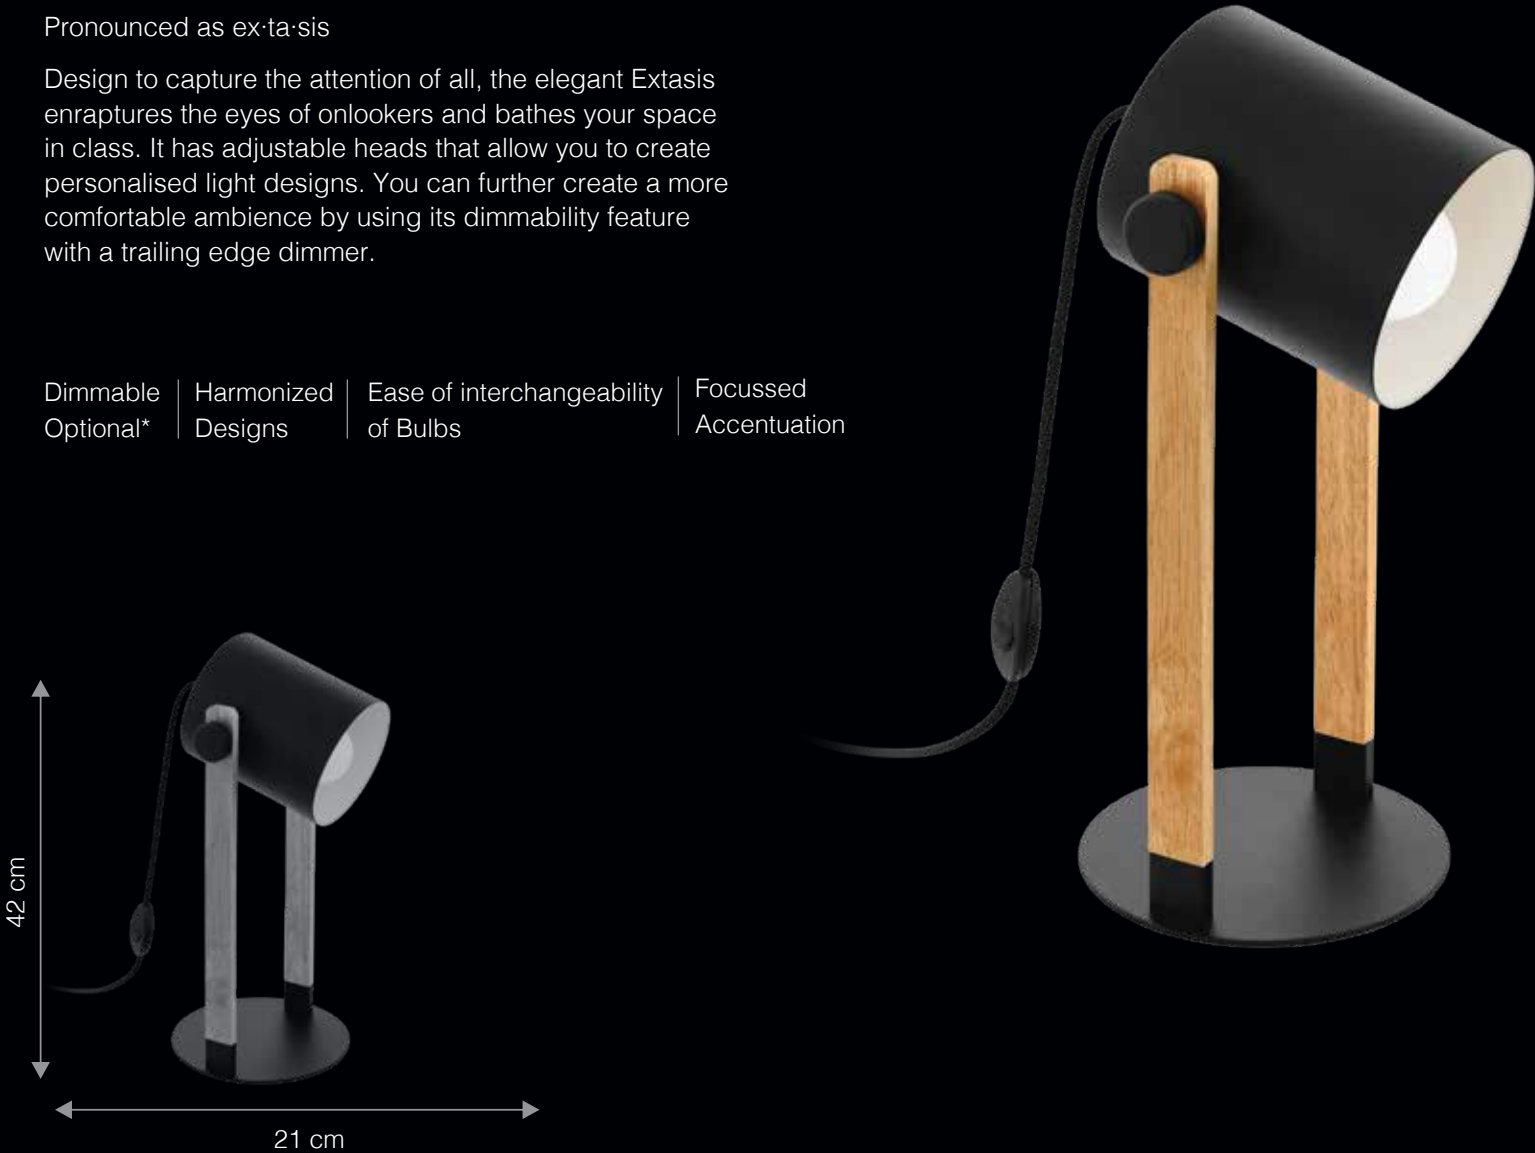

Design to capture the attention of all, the elegant Extasis enraptures the eyes of onlookers and bathes your space in class. It has adjustable heads that allow you to create personalised light designs. You can further create a more comfortable ambience by using its dimmability feature with a trailing edge dimmer.

# FANTAO

TL16021E  
Color: Black, Gold & Wooden

Pronounced as /fan.taao/

In Taoism, Fantao means lighting the way. Its contemporary design blends seamlessly with the choice of your décor and enhances it with warm lighting. However, you can switch out its halogen bulb with the more energy-efficient LED bulb if it suits you. It comes equipped with the latest LED innovations that give you control of your ambience.

## J'AIME

J'aime is pronounced as h.ai.me

Old world charm meets modern design sensibilities in this chic table lamp by TISVA. The electroplated brass finish with mild steel base offers an awe-inspiring contrast to the green tinted glass, which serves to reduce the glare and emit a pleasant, comfortable light. Use it as a reading light or keep it on the mantelpiece as a signature décor item – this table lamp is sure to make one say, “J'aime!”
